

ENLIGHTEN YOUNG MINDS

Global City International School

Education for a world of Possibilities and Opportunities

Vision

Our vision is to provide happy, caring and stimulating environment where children understand their Inherent potential, enhance their skills to contribute to the global society.

Mission

GCIS recognises that every child has a talent and needs to succeed. The highly motivated facilitators at GCIS provide a caring and creative environment to the students which would enable them to be responsible global citizens.

Values

G – Gratitude

Gratitude is being thankful for the bounty we inherit from nature and appreciative of all who support and guide us.

C- Caring

Caring is being considerate of others' needs and feelings, and mindful of how our actions affect the people, the environment and all other living beings around us.

I – Integrity

Integrity is knowing the difference between the right and the wrong and having the wisdom to choose the right thing even when it is more difficult.

S – Synergy

Synergy is working as a team with peers, elders, and community members to achieve more than each Individual could, independently.

At GCIS each child is moulded as a true global citizen as we abandon all notions of otherness but embrace togetherness.

In the present day complex and ever-changing world, it is clear that today's younger generation will be faced with a unique stream of challenges in the future. It is our responsibility to ensure our students are prepared for their journeys beyond school, armed with creativity, a positive mindset, and the knowledge coupled with skills they will need to thrive.

We at GCIS aim to upbringing our students as unique individuals embedded with our core values – Gratitude, Caring, Integrity and Synergy.

Our staff is committed to identify and nurture the inherent talents of every member of GCIS student community. We believe that every child should succeed as per their innate talents or capabilities.

Our student - oriented approach in teaching and learning provides multiple opportunities for children to gain value added knowledge and special skills.

We firmly believe that our Positive Learning Model is the Ideal framework to achieve this goal. It enables students to develop their individual strengths and follow their passions, whether that be as academics, creators, innovators or athletes. Through emphasising the development of attributes and nurturing each student's wellbeing and individual interests, we foster an environment that helps students to develop character and achieve their best on the academic front.

GCIS provides students a holistic development through a range of co-curricular and extracurricular activities. We strive to provide value based education to empower and enlighten students to become responsible global citizens in the days ahead.

CBSE

Our CBSE programme is holistic in approach that ensures par excellence throughout. It promotes intellectual, social and cultural awareness among students. Continuous Comprehensive Evaluation ensures all round development for all young learners.

PRIMARY

Key focus areas in Primary Curriculum are: ensuring proper foundation in literacy skills and numeracy skills. Core subjects include English, Math, Science and Social Science. Second language options include Kannada and Hindi. Third Language options include Kannada, Hindi and French. Co-scholastic subjects include Art & Craft, Music, Dance, ICT & Physical Education. In addition to the Co-scholastic subjects a wide range of co-curricular options like Martial Arts - Taekwondo, Football, Volleyball and other activities are offered .

SECONDARY

Secondary Curriculum focuses on nurturing and strengthening the 21st century skills - critical thinking, creative thinking, collaborative and effective communication and global competence.

Core subjects include English, Math, Science and Social Science. Second language options include Kannada and Hindi. Third Language options include Kannada, Hindi and French. Third language is offered according to the Government directives. Well-equipped Physics, Chemistry, Biology. Maths and Computer Science labs provide exponential learning to students and offer a good platform for extended study.

Curriculum Enrichment Programs (CEP) which add value for education in GCIS are available.

Facilities

TECHNOLOGY ENABLED CLASSROOMS

GCIS provides well equipped digital classrooms, where teaching- learning process is made more innovative and imaginative.

LABORATORIES OF LEARNING

Beyond the books and conventional classroom teaching, lab experience involves an understanding of the relationship between action and reaction. GCIS is equipped with laboratories for all the Science subjects Physics, Chemistry, Biology, Computer Science & Mathematics.

LIBRARY

Library is the treasure of knowledge of our school where we challenge our limits every day.

AUDITORIUM

The GCIS multipurpose auditorium is of International standards. Besides annual day celebrations and other events the auditorium is used for various indoor games like TT, Badminton, Kabadi, Kho-Kho, Chess, Carrom etc.

INDOOR GAMES ROOM

One of our variety of areas for recreational activities.

SCHOOL GROUNDS

GCIS play ground is of a vast stretch to hold all the physical activities like assemblies and outdoor games like Football, ThrowBall, Athletics etc.

MARTIAL ARTS

Training in Martial Arts adds value to education at GCIS. It is taken care of by dedicated and well-trained instructors.

BASKETBALL COURT

The basketball court set at our school is of an International Standard. We have a National level player as a coach to train the students.

**GCIS IS NOW AN AUTHORISED
CAMBRIDGE ASSESSMENT ADMISSIONS TESTING CENTRE**

We are proud to announce that we have added another feather to our hat. GCIS has been approved as a Cambridge Assessment Admissions Testing Centre. It is our commitment to provide the best opportunities to the students under our care that paved the way for this outstanding achievement. Candidates who are preparing for admissions to universities like Cambridge, Oxford, Imperial College London, Lancaster University etc. can now take the following tests at GCIS:

AMESAA	ENGAA	MLAT	ELAT
ASNCAA	GAA	NSAA	MAT
BMAT	HAA	OLAT	TSA
CAT	HAT	PAT	PHIL
ECAA	HSPSAA	PBSAA	TSAS1
TMUA			

GCIS JOINS THE GROUP OF ELITE SCHOOLS THAT ARE 'YES' CENTRES

We are happy to announce that our students can now get The International Award for Young People just by studying here with us for we have become an YES Centre, and all our students aged 14 and above are being enrolled for the programme. The International Award for Young People (IAYP) is the most adaptable and successful youth empowerment program. It is a pleasure to see our students receiving the IAYP which is the Programme of choice for over 1.3 million people in the world today.

The Award Programme was first introduced in the United Kingdom in 1956 as the Duke of Edinburgh's Award. The Award's concept is one of individual challenge, giving young people a balanced, non-competitive programme of voluntary activities which encourage personal discovery and growth, self-reliance, perseverance, responsibility to themselves and service to their community. Those who participate in the Award are expected to follow its requirements in a non-competitive manner with a determination to succeed, either individually or as part of a team. The Award therefore is challenging, and can be undertaken at one's own pace.
